Please take this letter seriously as I write
 about my dear deceased husband. He worked
 very very hard for Peabody as Dragline Operator.
 Climbed the boom to repair it in 20° weather.
 was called out at 3 and 4 in cold mornings. He
 worked hard knowing we would have our
 Benefits as long as we live. He Ed Whitehead
 put the \$8800 on a barge that floated down Green
 River risking his life as it nearly flipped over.
 I fixed his lunch for 44 years and watched
 as he went toward the mine, Being 80 years
 old I'm very concerned now about my Insurance.
 Please help - thank you. Enclosed is part of
 his work Diary when he worked & operated the 1450 Dragline.

I also have
 a great picture
 album of his
 work
