To whom this may concern,

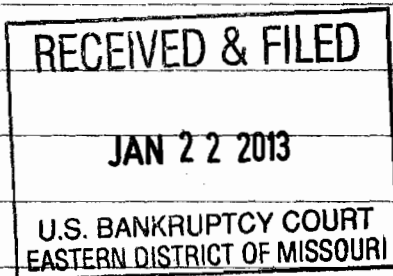

I'm writing this letter on behalf of all the UMW workers and their families.

I'm also a retired miner. I worked at Peabody for over 20 yrs. Not only did we work for a paycheck, we also worked for our benefits (health care & pension), that was promised to us, from Peabody Coal Co. And Peabody needs to keep their promise, because if they don't it will be a hardship for all the families involved, including myself.

I pray that the LORD will lead you in our behalf, in making the right decision.

Sincerely

Anna Johnson
