I am a retired Coal miner who worked for Peabody Coal and Retired in Oct. 1994 and was later put in Patriot Coals Co. I think this was wrong to do this. I am 77 years old and if I lose my Medical Benefits I could not survive very long. I only work for Peabody Coal Co.

I am writing this letter in behalf of my Miner Buddys Union or Non Union I have been in the Union over 50 yrs. The Coal Co promised us benefits as long as we live. I just ask that you treat us fair and ask Peabody to pay for the benefits we deserve.

I take 15 pills and inhalers for my Problems from weather & Cold exposure. I also have lung Problems & Had Heart Surgery in 2007

Thank you for taking time to read this letter
