U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

Jan. 19, 2013

Honorable Kathy A. Swartz - States,

I am the 5th generation of a Coal miner or dependents.

A widow of a deceased miner, my UMW health card keeps me going and helping others who never have a visitor.

A stomach aneurysm & later an Aorta aneurysm kept ~~from~~ ^{my husband} alive - a man who was loved by many. He always had a listening ear, a bear hug, helping hands, and a promise of praying for them.

I am almost 90 yrs. old in 2013, & I don't want to die depending on children who now need to ^{help their} ~~them~~. I can't give them much help with money or care, but they know that I love them. I've had open heart surgery & broken bones from falling.

My husband worked for 2 truck, coal mines & retired from Peabody. He thought that he had taken care of my possible Health Care for years to come before death.

Please don't let Nobody, Arch/Patriot break their promise to those dead, & those still living

Sincerely, Mayorie Putnan
