Sirs

When I signed on with Eastern
 Assoc Coal in 1975, I was assured
 through a Contract with them an our Union
 U.M.W.A. that I would have health Insurance
 for me and my family for faithful
 service, and upon retiring in 2004
 was comfortable that they would fulfill
 the written agreement - but greed got in
 their minds and they set up a plan to
 get rid of all old retirees and Union
 workers by starting up a decoy Company
 they knew would fail! and get rid of
 their promise of "you work hard for us" and
 we will reward you with peace of mind
 in your old age - well now they won't
 honor their agreement even though they
 are making big profits through -

Companies that Profit Daily and
Continue to get "RICH" by the hard work
of their employees.

So I say - if Peabody Coal - who
own Patriot Coal wins this case - they
will do the same to their other workers
and we will all have to go on Government
Relief as we can hardly live on what
we receive now - as you know - we
old folks can't go out and work as
before - we have Medical Problems
associated with old age Etc -

Thank-you
