

Pat Verneale & Therese Verneale States

I want to express my concern as a retired miner over the bankruptcy of Patriot Coal. Which will take away our health care when we most need it.

My wife and I are not in a position to handle the expense of our medical bills at this period of our lives.

I have lost most of my hearing due to running heavy equipment at the mines I worked at. I depend on my wife to hear things that I can't understand because of my hearing loss. My wife has a heart problem and had open heart surgery 3 1/2 months ago. Since that surgery she has been operated on for carpal tunnel problems and will need neck surgery.

We both hope that this problem can be resolved without taking ~~over~~ ^{our} health care away from us. Being retired and living on a small fixed income. Thank you.

Mrs. Mrs. Therese Verneale
