Re: Case No. 12-51502

Your Honor:

I am writing to you in regards
to the case between the U M W A
and Peabody and Patriot Coal Co.

My husband is deceased. He passed
away in 2011.

He was a miner for 40 years
He was in the union all of his 40 years
and very proud of it.

He always said he would not worry
about me, should he die first I would
be taken care of. I would have his
black lung and health insurance until
I die.

Well the week after he died
my black lung was discontinued,
and now I may lose my health benefits.

I have coronary Artery Disease,
I am a diabetic. I take 25 pills a day
plus a insulin shot a day.

If I lose my health benefits
I will be forced to sell my
house to pay my doctor bills and medicine.

My husband worked hard all of his
life. He walked quiet mines and fought hard

for their rights and benefits
What Pealody and Patriot are doing
is just wrong.

They should be held accountable
for these benefits they promised.

My husband retired from Pealody.
But one day we receive a letter our
benefits were being put under Patriot.

My husband as well as Thousand of others
put their life in danger every day,
and did their best for these companies
and this is how they are repaid.

I know that I am just 1 of
Thousands in this situation.

I ask that you keep all of us
in mine when you are considering
this dision.

May God bless you in
what ever you decide.

Thank You So Much for
taking the time to read this
Yours truly
Judith Stanley
