Re: Case No 12-51502

My name is Charles Morgan and my wife of 39 years is Brenda .We have two wonderful son, both are Police Officers in our Great State of West Virginia. Your Honor, I have worked For Thirty eight years in Coal Surface mining. The Company that I work For Has told me For All These years If I will work for them Twenty years or more , They would provide Health Insurance and Pension Benefits for my wife and I when I retire, If I would have known they never intended to Honor their Promise I would have changed careers years ago. Your Honor I am nearly sixty years old and my wife is two years younger, we are taking a Lot of medicine prescribed by our Doctor, if we lose our Health Insurance and more of than 30% of my Pension we won't be able to afford this medicine. We will most likely die from the Lack of them. Your Honor Arch Coal & Peabody Coal created Magnum Coal & Patriot Coal to eventually put all the retirees into one Company, and was created to go Bankrupt, so they could renege on a promise. Your Honor I am too old and broken to get another job, so what will we do. You're Honor Brenda and I pray to God that you will consider the Health & wellness of all these family's as you render you Decision.

PS I have listed below the medication Brenda and I are taking.

Poly-Iron, Simvastatin, Omeprazole, B-12 ,Loratadine, Levothyroxine, Premarin, Zitia,

Charles Medicine

Thank you for taking time to hear our plea,

May the Lord bless you and your Family
