Dear Honorable Kathy A. Swatt-States

I'm writing this letter to ask you not to allow Patriot Coal Corp. to get by with filing for bankruptcy to get out of their obligation of providing healthcare to their employees and retirees.

My husband was never an employee of Patriot Coal, he worked for Seabody Coal and has been retired for 12 years.

He kept his bargain, working hard and risking his life to make a living and ensure benefits for our future. With his health, I'm not sure we can find a healthcare company that will insure him. It will be devastating for us to have

to pay for our health care and medications.

With upkeep on our old house and other bills and prices going up all of the time, we just don't seem to have enough left over for extras, much less health care cost. We will be the ones facing bankruptcy!

This is a low down dirty trick to pull on us at this stage in our life. I guess they want more money for the greedy shareholders. Please don't let them get by with it!

Sincerely

Lynn Oliver

wife of Donald Bruce Oliver
