Your Honor, Ms. Surratt-States:

I, Sharon Louis, am the widow of Harold L. Louis. I tragically lost my husband to degenerative heart failure in June of 2010.

Before his death, my husband spent many years of his life working for Arch Mineral. He would work seven days a week, rotating his shifts every two weeks. He was a dependable worker, willing to give them one hundred percent of his effort. He put forth this effort believing that the company would uphold their commitment to maintain their bargain regarding insurance. My husband paid his dues to the company, expecting them to pay theirs.

I am a seventy-three year old woman with knee problems. Without the insurance of my husband, I would face many hardships while attempting to pick up the cost on my own. Please help me and others like me to keep our insurance, and make these companies uphold their ends of the bargain.

Respectfully submitted,

Sharon K. Louis
