Hello your Honor, hope you are doing well. Myself, it's a very sad day, that I must attempt to write this letter.

There are many, many sick and ailing people suffering from the effects of years mining coal. They not only depend on, but, have earned their retirements and medical benefits.

There are 'many' different types of chemicals used underground for different jobs, exposure by touch or breathing is common, because of lack of personal protection. Some of these chemicals have lasting and degrading effects on the human body. There is also battery acid (battery operated equipment) acid splash on you from filling batteries or washing batteries off (Federal Law) to keep equipment washed. There's no escape from breathing a certain amount of battery acid fumes from charging stations and operating equipment.

Retirees have been Exposed more To Chemicals Than current, BUT, STILL Exposed Today. You Are Breathing COAL And Rock dust (Possibly Chemicals And BATTERY Acid mixed in) The Whole Time You Are underground, ANYTHING THAT moves creates dust, even WALKING.

ThereS ALSO smoke From cutting Torches And welding, repairing Equipment, including smoke From Burning COAL And grease, smoke From rubbing Belts, HOT Bearings And ect... There is more HAZARDS Than STATED Above And doesnT include injuries, Accidents or The FACT you MAY be killed Any second OF everyday by roof Fall, Equipment or ect... By The Time most Retire, There NOT Able To do ANYTHING else From exposure To The Above or Physically.

There Retirement And medical Bennisfits Are NOT HAND OUTS, They Are EARNed. NOT only By There Labor, BUT, By signed

CONTRACTS, guaranteeing There
Benefits, Threw MANY signed
CONTRACTS THAT Both sides Agreed
TO.

For PATRIOT COAL TO come Forward
now with WHAT I suspect is Phoney
Projections (To show Losses), dummy
companies And greed, TO ATTEMPT TO
TAKE AWAY guaranteed Benefits,
guaranteed For MANY years, BECAUSE
OF Job related disabilities ?

1. PATRIOT COAL Received 8.2 mil. Possibly
more TO operate ON ? SHORTLY AFTER wards
I WAS LAID OFF. ALSO more union
workers were LAID OFF And mines idled
And put on low earning slips. While
PATRIOT continued TO work non union
mines WITH NO CONTRACT. This is A
Breach OF CONTRACT, AT LEAST under
Specific Performance. Im Asking For
ANY AND ALL Restitution I MAY Be

Entitled To, AS Well AS AT Least To
The end OF The current CONTRACT.

2. Mining is A very dangerous Job, Very
destructive TO The HUMAN Body (Structure)
Joints / muscles / sickness) There is Little
Chance OF 10 Foot OF Rock Falling ON
Anyone setting in AN OFFICE or
SURFACE Job.

3. The United Mine Workers OF America
HAVE been The Guiding Light TO Federal
Mine SAFETY LAWS For MANY years,
And continue TO do so Today. Those
LAWS Are Wrote WITH MANY years
OF OUR FAMILIES BLOOD. HOW MANY
Federal mine disasters HAVE There
Been in UNION mines in Recent
years? And is CORPORATE America
ATTEMPTING TO Change THAT Record?
Will We Be PLACED in greater
Jeopardy?

4. IF "We The People" AS LEGAL U.S. CITIZENS / LABOR / EMPLOYEES DO NOT DESERVE RETIREMENTS AND MEDICAL BENEFITS, GIVEN THE EXTREME CONDITIONS OF THE JOB? THEN "WE THE PEOPLES" TAX DOLLARS SHOULD NOT BE SPENT ON ELECTED OR APPOINTED OFFICIALS RETIREMENTS, MEDICAL OR SECURITY FOR LIFE. TO GIVE TO ONE AND TAKE AWAY FROM ANOTHER WOULD BE VICIOUSLY UNJUST AND MORALLY WRONG.

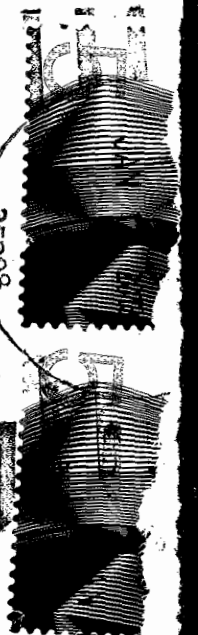

5. I WOULD ALSO ASK THE COURT, NOT TO MAKE ANY ORDERS, JUDGEMENTS OR STIPULATIONS THAT MAY HINDER MY CONSTITUTIONAL OR CIVIL RIGHTS OR ANY OTHER RIGHTS I MAY HAVE. TO SEEK RESTITUTION, DAMAGES OR BENEFITS (ALL) FROM PATRIOT, GOVERNMENT OR ITS OFFICIALS. THANK YOU FOR LISTENING, YOUR HONOR.
