Dear Judge:

My husband worked 34 years in a strip mine for Peabody Coal, NOT Patriot Coal. He worked in the heat of summer and the cold in winter. In the rain and the snow. His pension is \$850. a month, not much compared to others, but we were content because we had health care.

We are both now in our 80's and our need for health care has never been greater. Please don't take that away from us.

Sincerely,

Anona Junge

(Mrs. Harry Junge)
