U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

Honorable Kathy A. Surrath - States

I am a widow of a United Mine Worker who worked hard over 35 yrs. on the river and underground, so that all mine workers, retirees, families, widows etc, would be able to keep our insurance.

As people grow older, we all have more medical problems, and our insurance has given us a lot of security and piece of mind from our medical problems.

Miners have given their lives in order to keep our insurance.

Companies should not
be allowed to take away
what has been promised to
us thru greed and selfishness.

I feel that they should
live up to their promises.

I pray that you will
keep this in mind as
you make your decision.

Thank you,
God Bless
Sincerely
Mrs. Joann L. Kasarek
