

Dear Honorable Judge

I am a wife, a daughter, a granddaughter and a niece of coal miners. That's all our family knew was coal mining. My grandfather, father, and uncle have since passed away with cancer. I'm sure the coal mine had something to do with that. My husband now has cancer. After he gave his life to Peabody at the age of 19 and now at the age of 65 Peabody wants to take away his pension and insurance. Where is the justice!!!
