Your Honor,

Such a master plot of dishonesty, Patrick's bankruptcy! Please just examine the facts and look at Peabody & Arch's profits. It seems unamerican for Patrick Coal to even file the bankruptcy papers.

My prayers are with you as you deal with this matter of life and death. The injustice Patrick Coal (Peabody, Arch) is attempting to accomplish is unconscionable.

I lost my beloved husband Bill in 2008. He worked many yrs. (25⁺) for Arch of Illinois. We both trusted that the health insurance & pension he earned, would most certainly be honored. When he was dying, he was at peace knowing that I would be covered & taken care of by his United Mine Workers insurance coverage & pension.

Your Honor, please send a message to Patrick that justice is more noble & important than corporate greed.

I appreciate your consideration and expertise in this battle for fairness.

I believe "The Truth Shall Set us Free"

Respectfully,
Lee Ellen Wilson
