We first want to say how thank-
ful we are for insurance benefits
over the years. We are very concerned
about the issues that are trying to do
away with these benefits.

I worked for Peabody Coal (not Patriot)
from July 22, 1968 until March 14, 1991. We
as workers, and retirees was promised
these benefits would continue. There no
fault of my own, Patriot is working to do
away with this.

Peabody needs to step up and keep
their promises made.

Taking this insurance from us
would create a real hardship on us as a family.

We are praying as you meet in the Patriot bankruptcy case you will consider the many ripples of uncertainty and hardships this will create for us as retirees - your former employees. And also your present employees.

Thank you
