

The Bankruptcy Judge,

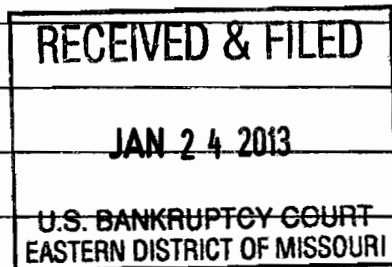

My husband worked in the mine 23 years. In that time he had 2 back surgeries. He has health problems now.

My health hasn't been good for a long time. I have to take a lot of medicine.

If my husband loses his pension & insurance I don't know what we will do. Peabody promised insurance & pension for the rest of their life. He only gets \$549.00 a month which isn't much.

It would be very nice if you would be on ^{our} side. We really need your help.
