Dear Honorable Kathy A. Surratt - States

Re Case # 12-51502

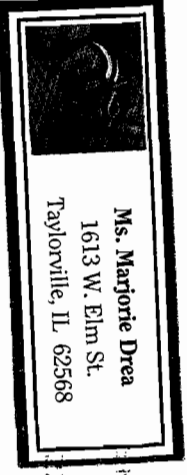

I am a 81 year old widow of a coal miner who worked 46 years in Illinois coal mines. When he died 7 years ago he believed I would have health care and a mine pension for my life time.

I had to sell the family home because I could no longer keep it up and am waiting if I loose my health care and pension I will be unable to pay my rent and buy health care

A promise is a promise  
Please help me and many other like me.
