Dear Honorable Kathy A Swatt-States:

My husband retired 16 yrs. this year from Local 8941, District 12 in Kentucky. At the time of his retirement we thought his health care was secure for the remainder of our lives.

As you are well aware of, if Patriot/Peabody has their say, not only my husband and I, but thousands of union brothers and sisters will lose their benefits. To replace these benefits will definitely be a hardship and for ones with extreme conditions will probably be unable to replace theirs.

We are asking you to take this into consideration and please help us

To retain our health care the
miners worked for and was
promised them.

Thanks,

Joseph + Barbara Wilson
