RE: Case No. 12-51502
Thomas F. Eagleton U.S. Courthouse
111 South 10th Street, 4th Floor
St. Louis, Mo 63102**

Judge Surratt-States:

I worked for Peabody Coal Co, River Queen Mines for thirty-eight (38) years. This is the only coal company I ever worked for and I retired July 29, 1994.

When I retired I was promised my health care for life. As a young man I was taught when you make a promise to someone your word is your bond and you fulfill it with truth, honesty and integrity.

My knees are in such bad shape I am facing two knee replacements. My wife is facing some kind of badder surgery and we are not sure exactly what it is. She is not old enough for Medicare, and with the new health laws it could be financially devastating.

Your Honor, please help us in this crisis and any help will be greatly appreciated .

Thank you for your time and consideration .
