EASTERN DISTRICT OF MISSOURI

To the honorable Kathy A. Lunn
RE - Case No. 12-51502

My husband worked for Peabody Coal for $22\frac{1}{2}$ years. He, like so many others was promised a pension and health card for life. It is just devastating to understand after all this time they can renege on their promise.

My husband was injured several times in the mines, underwent a total of 8 surgeries, and is now on total disability. He drove 100 miles to work round trips everyday, through all kinds of weather, and missed very little work.

Now that we are senior citizens he is 71 and me 67 have to worry about his pension and health card.

It is unfair and unethical that a big company like Peabody could get away with this.

Thank you for your time
