U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF MISSOURI

1-22-2013

Judge Kathy A. Luratt - States.

I wrote you a letter with all the ~~fact~~ facts about my case & how important it is for Peabier coal company to keep its promise.

This letter is different. This letter is to someone's ~~daughter~~ daughter who has a father that must be really proud of her. People trust her to make fair decision in many important

cases. I ask you to search your heart and think <sup>How</sup> of you would feel if you Dad worked hard as a laborer and suddenly the benefits he had been promised were ~~to~~ taken away.

I have five children, two daughters and three sons. one daughter is gone but the others are still here. I've always ~~thought~~ ~~it~~ taught my children to keep their word. If you promise someone something you do it. I ask you to think about the workers in this situation, we worked hard and were promised that <sup>if</sup> we worked for this company we would get Retirement and Health Benefits until we died.

I ask you to help us. Please make Patriot coal company  
Keep their word. We kept ours. Please. Please insist they  
would keep theirs.

Thank You for Reading This Letter.

P.S. You can let me know      Noble E. Pitt  
what you decided.
