

Dear Judge

I am very concerned about all medical problems  
all of the medicine we have to take. When my  
husband went to work for patriot Coal he was  
told he would receive a medical card for rest of  
his life if he worked twenty years, he worked  
for thirty three years he is retired now, but  
both of us are needing medical attention I  
don't know what we would do if he lose  
his medical insurance. Below is a list of my  
medical issues. I hope you can see we need it  
very badly. I thank you for your time.
