U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

To all that may see this letter.

To do what these so called 'BigWig' Coal Companies want to do to all retirees and working men and women, included, I would like to put them in our shoes. Worrying everyday whether we will have an income or medical care, Most of us are older retirees, who as you well know will start, if not already started having medical issues that come with age or whatever.

As For my family and everyone I know we not once received a paycheck with Patriot Coal on it.

you say be respectful, well if you succeed in these actions, I can assure you respect will be out the door. Everyone I know that could be affected even if they are being pushed in a wheelchair will rally around.

Respectfully yours
