To the Bankruptcy Judge:

My husband Bobby Joe Murray age 54. is a disabled Coal Miner of Peabody Coal. He began working in the mines in 1978 at Peabody Coal. He was disabled in 1998 after numerous back injuries, leg pain and knee pain due to crawling in 3ft high coal. He's very proud of being a UMWA Coal Miner. I'm a nurse at Amc Hosp. He's given up walks, gardening, Hunting fishing - riding his horse, motorcycle, even a cow rider due to chronic hand pain. I've given up this and so much more. Now Peabody Coal wants to take away Our Medical Card & Pension, Haven't we given enough, or is this another time - The Coal Miners (Peabody Coal) makes money in the Bank of Coal Miners and Thru Family.

Sincerely

Karen & Bobby Joe Murray
