I am sending this letter in hopes that you will help us keep our Insurance.

My husband devoted many hard years to provide for our family, so that we may live a good life and be able to relax without any worry. I am 63 years old and I have a lot of health problems . I have a stent in my left kidney and stents in both my legs, and three in my heart two of which is a stent within a stent and the next step if they have to do anything thing with it is open heart surgery. I have several more blockages that are 50 percent and 60 percent the Doctor hasn't done anything to yet. I'm on a lot of Medication , I am a very Brittle Diabetic , I take Insulin , High Blood Pressure Meds, Nerve Meds, Blood Thinner Meds, that is just a few of them , They change my Medication a lot.

My husband has had open heart Surgery with five bypasses, and he has blockages in his neck that the Doctor is keeping a check on. He is on a lot of Medication too. Blood Thinner Meds, Heart Meds. Cholesterol Meds, Nerve Meds , Breathing Meds, Vitamin B-12 shots.

The Decision you make will affect a lot of people , Without our Insurance we can not afford to go to the Doctor and without Insurance we can't afford the Medications we take. So Please help us keep our Insurance.

Thank you,

Mr & Mrs. Dexter Carver
