U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

Dear Judge

My name is David Fox. I'm retired now but I spent many years working in the coal mines. 98% of it for Peabody coal. The last Peabody mine I worked at was camp #11. When they shut this mine down a lot of the workers retired then because they said Peabody was going to open the Highland mine. Owned by Peabody but going to go by the name Patriot coal. They said this was just a move to get out of paying for our health care insurance. I needed more time in the mines to get my 20 years so I could get my health care locked in. When I when to work at Highland mine every where I looked Peabody coal was stamped on it. About the only thing that had Patriot Coal ^{on it} was the pay check. They may have been old Peabody checks that they marked out Peabody coal. Not really but you can see where I feel this way. I'm 64 now and need several medications. One of them is around ~~PLAVIX~~ PLAVIX \$800 for 90 days supply. If I lose my insurance I will have to hope I can make it without them. I worked a lot of years with Peabody

so I would have this insurance. If they
get away with this I don't know how I'm
going to make it. I know you are a busy
person but I hope you had time to read
this. You may be the only person that can
keep them from getting away with this. Thanks
for your time and I hope you were able to
read this letter.
