To Whom It May Concern:

I am writing this letter because I gave Peabody Coal the best years of my life. I worked for Peabody Coal for 40 years +. When I retired, I ~~had~~ was promised as part of my retirement I would always have my insurance. Losing my insurance would be a great hardship to my wife & myself. I never worked for Patriot, therefore my agreement & promise was with Peabody Coal. Therefore my insurance & all others that was promised the same thing should be able to keep ~~on~~ what was promised to them for all the years of service from Peabody Coal.

Sincerely Yours,
