

Re: Case No. 12-51502

Your Honor,

I worked at Welch 21 Mines in Madison, N. Va. for 17 years for Arch, Magnum and Patriot. Through the years I was a faithful employee. I think after negotiations and in binding arbitration with the U.M.W.A. Contract that they should keep the promises they have made to me and my family. Now more then ever we need these promises kept. My wife and I cannot afford to for health care and prescriptions on a fixed income.

Your Honor, I ask for your consideration in this decision not only for me but also for my U.M.W.A. Brothers and Sisters at Arch, Peabody and Patriot Coal.

Sincerely,

Donald J. McCallister
