

Honorable Kathy A. Surrat - States 4-28-13

We are writing, concerned about Peabody trying to steal our health benefits and pension. Roy retired under the 1974 pension plan from local 1602, where we were promised lifetime benefits. He never worked a day for Patriot Coal. Without our benefits, we won't be able to survive on social security alone. Our medications would cost over \$2,000.00 every three months. God has told us in His word that He will never leave us or forsake us. We are praying you will rule the same way by allowing us to keep our benefits as promised to us. Thank you for listening and considering our concerns.

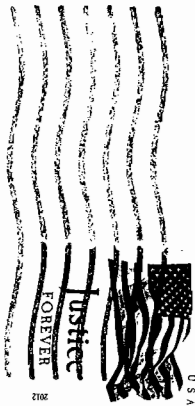

Sincerely,
