U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF MISSOURI

2-27-13

The Honorable Kathy A. Surratt - States

My name is Sherry Hager, I am writing to you about a case now before you that concerns Patriot Coal and the benefits they now want to take away from families of hard working people.

I could not imagine that this would ever be possible, that agreements and guarantee of Benefits be at risk. I take several medications now, I have strokes and I also have HBP, and I take daily medications for other health issues, that I would be at risk of death without. I believe we older people will be devastated, lives are at stake, I hope you will find in the favor of the people who earned this for all their families. Thank you so much for your attention in this matter Ref. Case no. 12-51502

Sincerely  
Sherry H. Hager
