

Judge Kathy A. Surratt - States

I worked for Peabody Coal Co. for 34 yrs. I've been hurt on the job quite a few times, so many that I'm on total disability ~~and~~ for 24 yrs.

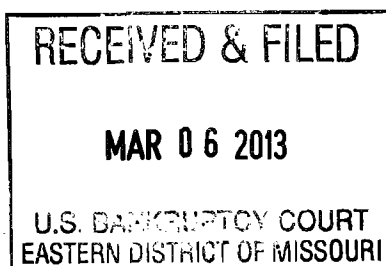

Coal miners are proud Americans who worked at a job most Americans wouldn't want to do. We're not asking for anything that Peabody (Patriot) didn't promise us in our contract negotiations. We done our part, now it time to uphold there in of promise to us.

It would be a hardship on us because of our health to recieve insurance somewhere else. If we could find it they'd want 2 or 3 time more than average.

I thank you for your time, I know your a busy person, so I appreciate your time.

Remember A promise is a Promise, to not be withheld on there part.

Thank You,
