RE: Case # 12 51502

March 14 2013

First of all I just wanted to tell you how much my Husband Robert W Lodge who is deceased since 2006 "Loved" his job at Arch of St. "Captain Mine" Cutler St. He Operated a Road Grader loved making road and all that a grader is used for. He did this for 37 years.

He developed major Breathing Diseases from the coal and Dirt Dust. He was on a C. Papt with oxygen for years.

He worked "hard" "Paid" everything that was required of him. And Was very Grateful to have his job!

He always did extra work when he saw it needed to be done.

Please don't throw us away now!

We need very much what we "earned" with our "survival."

Thank You! Duane Lodge
