

Honorable Kathy SurrTT-States

My Name is James M Daugherty

I worked for Peabody Coal Co. for 23 years. Now that I am Retired and need my health care they want to take it away from me. I never worked for Patriot Coal Ever. I have had open heart surgery 4 Bypasses a Knee Replacement + Asthma. I need my health care to survive. I worked 7 days a week for Peabody so to get health care with was promised.

Please don't let Peabody take away our health care

Thank you
Jim Daugherty
