U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

Hear your Honor

Writing to you as many of my friends and family are. Ours was a coal mining family. I had, Brother and two sons plus his family. All are gone now but I'm still here in need of medical care due to illness and as age progresses.

I don't abuse my medical care as a widow if I lost my medical care and pension it surely will be a burden.

My husband would 37 1/2 yrs to provide for me in this life. Losing it would be a dishonor to him and all his many hours in the mine that destroyed his health.

Pray that you can help us to keep our needs now. God Bless and thank you for taking time to read this letter
