U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF MISSOURI

April 19, 2013

Honorable Kathy A. Surratt-States

I am writing to you again, because I want to ask you to please don't let Peabody Coal Co. get out of their promises that they made to all these Coalminers. If you let them do this, then other big Cooperations will do the same thing they will form a company just like Peabody formed Patriot Coal.

I want you to know that Peabody Coal Co. is still in business and they are still operating and they are making a profit. Just don't let them take away our pension and Health Care benefits from us.

We held up our in of the bargain and now that its our turn to collect what we worked for they want to take it away from us and our families. I worked 32 years for Peabody Coal Co. there were a lot of day that I could have stayed home, but I made a bargain with Peabody. I gave Peabody 100% when I was there in their Coalminers. And now they want to take away everything that I have worked for, We deserved the benefits that we were promise and I hope that you make Peabody Coal Co. stand up and make Good! on their promises. We are not asking for anything extra, we just want what we have worked hard for at the cost our Lung, ~~Back~~ Backs, Knees, and a lot of other health problems. Please your Honor make Peabody Coal Co. Do the Right thing by ~~the~~ All these Coalminers.

If we loose our benefits its really going to be a hardship on every Coalminer and their families. The health problem the miners have a lot of them are from working in the mines, so I think its only fair that Reabody Coal Co. be made to hold up their end of the bargain. The Coalminers have already held up their end of the bargain. They showed up for work everyday and ~~and~~ help make Reabody Coal Co. what it is today. Reabody has forgot the Coalminer in my ~~my~~ opinion if Reabody Coal Co. gets away with this, there no justice in the world for the everyday working man or woman. ~~and~~ Please your Honor make Reabody Do The Right Thing. My prayers are with you.

Thank you  
Sincerely yours  
Jerry L. Moore
