Re Case # 12-51502

My husband worked for Peabody Coal for 30 yrs. He had heart surgery & was oxygen 2 yrs. before he died at 75. He died thinking I would be taken care of with a pension & health care. That was a promise Peabody gave to each worker, they should stand behind their word. In an effort to hide their responsibilities Peabody joined Patriot Coal. He never worked for Patriot Coal. Please help us so the country will not get in a lot worse shape. If Peabody & Patriot don't honor their word, a lot of people will look to the government for help. Thanks for hearing my voice.
