Honorable Kathy A. Surratt - States -  
Re: Case # 12-51502

After 2 years of military service spending 1 of those years in Vietnam I went to work for Peabody Coal Company. For the next 27½ years I worked at their Ken Surface Mine in Western Kentucky.

In various jobs as a welder, mechanic, heavy equipment operator, etc. I worked outside in rain, snow and cold. When I retired from Peabody Coal Company it was with their promise of a pension and lifetime insurance for myself and my wife.

Enclosed is a copy of my work record with Peabody Coal Company. At no time in those 27½ years did I work for a company called Patriot Coal.

God Bless  
James M. Cameron
