

Honorable Kathy A. Stewart - States

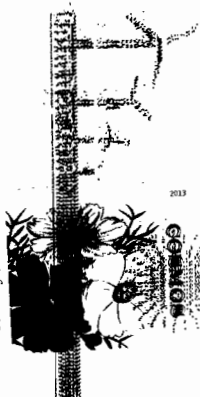

My husband worked for Peabody Coal Co. for over 20 years. Peabody promised him a pension and health benefits for the rest of his life. In an effort to elude their responsibilities Peabody formed Patriot Coal. He never worked a day for Patriot. For us to loose it would really be hard my husbands health is not good and just recently he had a heart attack. So I ask you please consider all the miners and especially those whose health is so bad. It breaks my heart to see men in St. Louis trying to keep their insurance and pension. Please support bill H86 the coalfield Accountability and Retired Employee Act.

Our prayers are with you
