U.S. BANKRUPTCY COURT EASTERN DISTRICT OF MISSOURI

Your Honor:

I under stand that you ruled for Patriot Coal in this case. I respect your ruling. I would like to know the reasoning behind your ruling.

I know this does not affect you personally. But it does me and my mother. My husband and father both worked for Peabody a total of over 50 years. My mother and I both have cancer. Where can we go to get insurance, that we can afford? I know there are many people in this situation. I am really saddened that the coal companies have gone back on years of promises.

It was a sad day for millions of coal mining families. I am just trying to understand.

Thank you for your time and patience.

Sincerely, Pam Vammel
