Honorable Shelly C. Chapman

I'm writing this letter concerning
the Bankruptcy law of Patriot Coal,
My name is Elbert Collins Jr.

I've worked 30 years in the Coal field
and I'm a disable miner, me and my wife
Dorothy Collins, need our Health Care Card
Because I've had a Stroke, my wife Dorothy,
is in remission for lung Cancer. We are still
under a lot of Doctors, and we really appreciate
that, you take a second thought, about the ruling,
where me + my wife can keep our Health Card.

Thank you
Elbert Collins Jr.
