The Honorable Shelley C. Chapman:

My name is Raymond Cornwell
I AM 81 years old, A Retiree
from Peabody - I have 24½ years
in the UMWA. Without my Pension,
and Health Care Card, I don't know
how I could survive.

In the year 2011, I had gallbladder
and kidney stone surgery.

I am now recovering from open-
heart surgery.

PLEASE Remember me and others, that
would fall in the same category, when
you make a decision.

Thank you,
Raymond Cornwell
