

Honorable Shelley C. Chapman

I am 65 years old, my wife also is 65
I worked in The Coal Mines for 32 years

I have Arthritis, High Blood pressure, I
see Two Drs For This every two months, My
Wife Has High Blood pressure, Sugar And a
very serious Liver problem, She is going
To The Liver Transplant Center At The
University of Kentucky.

We need our Health care so very much
I worked hard over Half my life, for The Benefits
I have when I Retired, I know you will Read
my Letter And make The Right decision, Against
Patriot Coal.

Thank you
Roger Boggs
