HONORABLE Shelley C. Chapman

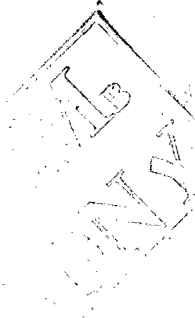

I am writing to let you know the hardship that I and my wife would have if we would lose our benefits from Peabody's health benefits.

I am under Doctor's care as I had stomach cancer, and they removed 90% of my stomach. I take other medication also. Due to my cancer I will have to take B12 shots once a month and intravenous iron the rest of my life. My wife is also on medications for the rest of her life.

Thanking you in advance for your consideration on the Peabody ruling.
