Re: Fifth Revised Proposal of Modifications to Collective Bargaining Agreements Pursuant to Section 1113 of the Bankruptcy Code

Dear Mr. Roberts:

Enclosed please find Patriot's fifth proposal pursuant to Section 1113 of the Bankruptcy Code (the "Revised Proposal").

The Revised Proposal addresses concerns raised by the UMWA and the UMWA Funds regarding Patriot's prior proposals to withdraw from the 1974 Pension Plan. Under the Revised Proposal, our signatory employers that currently contribute to the 1974 Pension Plan (hereafter "Patriot 1974 Pension Plan Employers") will continue to participate in the 1974 Pension Plan and contribute \$5.50 per hour worked as set forth in their current collective bargaining agreements, *provided* the UMWA agrees that prior to January 1, 2017 it will not take any action to increase the current contribution rate. The Revised Proposal also contemplates that the Patriot 1974 Pension Plan Employers will be allowed to withdraw from the 1974 Pension Plan on or after December 31, 2016 if the hourly contribution rate increases to a level where it would be more costly for them to continue participating than it would be to make annual withdrawal payments under section 4219(c)(1) of ERISA ("Section 4219") assuming a withdrawal occurring on December 31, 2016. In the event of a withdrawal, any resulting withdrawal liability would be payable over time as provided in Section 4219.

As you will recall from previous discussions, the 6% 401(k) contributions set forth in our prior 1113 proposals were offered by Patriot in lieu of pension and retiree healthcare for active UMWA miners. Since the Revised Proposal now contemplates continuing pensions for employees of the Patriot 1974 Pension Plan Employers, our proposed 401(k) contribution will be reduced to 3% of each dollar earned in wages for hours actually worked at operations of those

companies. For avoidance of doubt, the 401(k) contribution level would remain at 6% for employees covered by the Gateway agreements.

While it is imperative that the trial dates remain as scheduled next week, we remain fully committed to efforts to reach a consensual agreement with the UMWA. I sincerely hope that our discussions this week are fruitful and lead to a deal that restores Patriot's viability and saves the over 4,000 jobs it provides.

Sincerely,

A handwritten signature in blue ink that reads "Bennett K. Hatfield". The signature is written in a cursive style with a prominent initial "B".

PROPOSED CHANGES TO LABOR AGREEMENTS*
BETWEEN THE
UNITED MINE WORKERS OF AMERICA
AND

APOGEE COAL COMPANY, LLC

2011 COAL WAGE AGREEMENT PROPOSALS

Apogee Coal Company, LLC
Eastern Associated Coal, LLC
Heritage Coal Company, LLC
Hobet Mining, LLC

Revised April 23, 2013

As of June 1, 2013, the provisions of each company's current Coal Wage Agreement would continue unchanged, except as provided below.

Article I. Enabling Clause

1. Modify to limit application of the contract to the geographic boundaries of the operation, as provided in the Gateway Agreements. Include a description of the boundaries of the mine and related reserves that are covered by the Agreement.
2. The language in the current 2011 Coal Wage Agreement which states "...operations covered by this Agreement shall not be sold, conveyed, or otherwise transferred or assigned to any successor without first securing the agreement of the successor to assume the Employer's obligations under this Agreement" will continue unchanged, and is included as part of this Proposal. It is not the intent of this 1113 Proposal to eliminate successorship as currently provided in these contracts.

Article IA. Scope and Coverage

1. Modify Section (c), which limits supervisors from performing classified work, to provide that supervisors may perform work of a classified nature so long as it does not exceed one hour during a shift.
2. Modify Section (f) to provide that the Employer agrees to apply this Proposed Agreement to any mine or coal producing facility operated by the Employer upon the UMWA's recognition, certification, or otherwise properly obtaining bargaining rights, and the Union agrees that it will offer to sign this Agreement with any Article IIB Lessee-Licensee of the Employer upon the UMWA's recognition, certification, or otherwise properly having obtained bargaining rights for the Lessee-Licensee's employees. Notwithstanding the forgoing, the terms of the Agreement shall be applied without evidence of the Union's representation of the Employees involved to any relocation of an operation already covered by the terms of the Agreement
3. Further modify Section (f) to provide that, upon the UMWA's properly obtaining bargaining rights, the Employer agrees to recognize the union at the Flying Eagle mine, the Buck Fork mine, the Huff Creek Surface mine, and the Buffalo Mountain mine, if and when such mines begin the production of coal, subject to all provisions contained in this 1113 Proposal. The Employer and the UMWA will mutually agree upon an expedited and streamlined process for the Union to seek such bargaining rights. Upon recognition of the union, the union agrees that it will offer to sign this 1113 Proposal at any of the above listed mines

4. Modify Section (g) (contracting and subcontracting), which limits the use of virtually any contractors on the jobsite, to provide that non-bargaining unit workers can be used to (i) provide fill-ins for temporary vacancies, (ii) perform short term projects, (iii) perform repair and maintenance work, and (iv) perform any and all work at closed operations.
5. Modify Section (g) to also eliminate requirements that the employer must not have available equipment or regular Employees (including laid-off Employees) with necessary skills available to perform the work before non-bargaining unit workers may be utilized (i.e., eliminate any “Double Back” requirement).
6. Modify Section (i) (construction work) to clarify that all construction work can be contracted out, without regard to whether it may have been performed by classified Employees in the past.

Article II. Job Opportunity and Benefit Security

1. Modify Article II by deleting all sections of Article II except the sections entitled “A. Non-Signatory Operations of the Signatory Employer,” “B. Lessee-Licensee” and D-2. Exhaustion of Employer Panel, subject to the following amendments.
2. Modify A. Non-Signatory Operations of the Signatory Employer, Paragraph 2 to provide that selection of the 3 of 5 Employees to receive job offers shall be based on demonstrated ability to perform the work of the job at the time it is awarded (including possession of required certifications and required training), and satisfaction of such other hiring standards, qualifications, and tests as the Employer applies uniformly in its normal staffing practices. Seniority shall be considered, but need not be the determining factor in the Employer’s decision to offer employment to any classified laid-off Employee on the Employer’s panels of the Employer’s operations covered by this Agreement.
3. Modify A. Non-Signatory Operations of the Signatory Employer, Paragraph 6, to provide that any disputes that arise under this Section shall be resolved through the normal UMWA grievance procedure, as set forth elsewhere in this 1113 Proposal.
4. Modify B. Lessee-Licensee, Paragraph 2 to provide that leasing, subleasing, or licensing out of such lands or operations shall be permitted where the lessee-licensee agrees in writing that 3 of every 5 offers of employment by such lessee-licensee shall first be made to the Employer’s classified laid-off Employees on the Employer’s panels of the Employer’s operations covered by this Agreement, if such employment at the leased, subleased or licensed out location is for a job of the nature covered by the Agreement.
5. Modify B. Lessee-Licensee, Paragraph 3 to include that selections of the 3 out of 5 Employees to receive job offers may be based on demonstrated ability to perform the work of the job at the time it is awarded (including possession of required certifications and required training), and satisfaction of such other hiring standards, qualifications, and tests as the Employer applies uniformly in its normal staffing practices. Seniority shall be considered, but need not be the determining factor in the Lessee-Licensee’s decision to offer employment to any classified laid-off Employee on the Employer’s panels of the Employer’s operations covered by this Agreement.

6. Modify B. Lessee-Licensee, Paragraph 5 to provide that any disputes that arise under this Article shall be resolved through the normal UMWA grievance procedure, as set forth elsewhere in this 1113 Proposal.

Article III. Health and Safety

1. Modify Section (m) (safety equipment and protective clothing allowance) to provide that the employer may provide uniforms in lieu of paying the annual clothing allowance required under the current Agreement.

Article IV. Wages and Hours

1. Section (a) requires overtime be paid after 8 hours in a day, and in some cases after 7¼ hours. Section (e) requires double time rates for overtime on Saturday, and Sunday work and triple time rates for work on holidays. Modify this Article as necessary to provide that all overtime will be paid at time and one half, and only for hours actually worked beyond 40 hours during a week, including work beyond 40 hours in the week which occurs on Saturdays, Sundays and holidays (i.e., eliminate all references to premium pay). Amend all provisions of the Agreement to conform to this change.
2. Adjust current 2013 Underground and Deep Mine Standard Hourly Wage Rates to the wage rates in effect as of December 31, 2012
3. Modify current Hourly Wage Rates at Strip and Auger Mines (Surface Mines) and for Preparation Plants and Other Surface Facilities for Deep and Surface Mines as provided in Attachment 1.
4. Provide the Company with the ability to increase (or subsequently decrease) hourly wage rates for any job classification during the term of the Agreement, provided that hourly wage rates may not be decreased below the base hourly wage rates established by the Agreement.
5. Subject to Paragraph IV (4) above, modify this Article to provide that if hourly wage rate increases are provided to hourly employees of non-union subsidiaries of Patriot operating in Central Appalachia (or Western Kentucky in the case of Heritage Coal Company, LLC), and such increases raise the non-union hourly employee wage rate to a rate higher than the then current UMWA job classification hourly wage rate for similarly situated employees, then those UMWA represented employees will be provided a wage rate increase that will make them equal with the similarly situated non-union hourly employees. The intent of this proposal is to ensure that future increases to non-union hourly employees will not result in similarly situated UMWA represented employees having a lower hourly wage rate than the non-union employees.
6. Section (c) authorizes the Employer to introduce alternate work schedules only if agreed to by the local union. Revise to provide that the employer may, with seven (7) days notice, implement an alternate work schedule for the entire operation, for a particular wage classification, or for individual employees. Absent seven (7) days notice, the current schedule at the operation will remain in place. Delete the requirement that the local union must agree before the employer may implement an alternate work schedule.

Article V. Helpers on Face Equipment in Underground Mines

1. Delete this Article, which mandates the assignment of a full time helper on continuous mining machines and roof bolters. Helpers are not required in the Gateway Agreements. Helpers will be assigned as needed, at management's discretion.

Article VI. Shifts and Shift Differentials

1. Delete this Article, which requires that Employees working on the afternoon shift be paid an extra \$0.50 per hour, and that Employees on the midnight shift be paid an extra \$0.60 per hour.

Article VIII. Starting Time

1. Section (b) requires the starting time be in accordance with prior practice and custom. Modify to permit management to implement staggered starting times if necessary.
2. Section (e) permits management to change crews at the face. Clarify to provide that any and all crews may be changed out at the location where work is being performed.

Article IX. Allowances

1. Modify Section (e), which currently provides for six (6) personal or sick days per year, to provide for three (3) personal or sick days per year. Personal or sick days not used will be paid out at the end of the year; the current language that permits an employee to carry personal or sick days into the next calendar year will be discontinued.

Article X. Wage Increase

1. Eliminate the \$1.00 per hour wage increase scheduled for January 1, 2014.
2. Reduce the currently scheduled wage increases effective on January 1, 2015 and January 1, 2016 from \$1.00 per hour to \$0.50 per hour.
3. Provide \$0.50 per hour wage increase on January 1, 2017 and provide \$0.50 per hour wage increase on January 1, 2018

Article XII. Holidays

1. Modify Section (a) to provide for eight (8) holidays, instead of the eleven (11) that are currently provided by eliminating the April 1, Veteran's Day and Employee's Birthday holidays.
2. Modify Section (b) (Sunday Holidays) to provide that a holiday shall be observed on the calendar day it falls.
3. Modify Section (c) (Monday Holidays) to provide that scheduled work on Saturday prior to a Monday holiday is mandatory.

4. Modify Section (d) to provide that the employee shall be paid at his regular hourly rate, not triple time, for all hours worked if he or she works on a holiday. He or she will also receive Holiday Pay, if eligible.
5. Modify Section (e) to provide that all underground employees shall receive eight (8) hours pay at the regular straight time rate as Holiday Pay and that all outside employees shall receive seven and one-quarter (7 ¼) hours of pay at the regular straight time rate as Holiday Pay, provided the employee was not absent, unexcused, on the last scheduled shift prior to or the first scheduled shift after the holiday.
6. Modify Section (f) to eliminate the Employee's option to designate another day to take off if the holiday falls during a vacation period or on a day when he is not scheduled to work.

Article XIII. Regular Vacation

1. Modify Section (a) and Section (d) to eliminate the requirement for fourteen (14) consecutive days of regular vacation with twelve (12) days pay. Provide instead for ten (10) days of regular vacation per year with ten (10) days pay, earned on a pro rata basis from January 1 through December 21, and further provide that days must be used in coordination with vacation shut down periods as provided in the Gateway contracts.
2. Modify Sections (b) and (d) to provide for three vacation shut down periods: (1) week of July 4th; (2) week of Thanksgiving; and (3) week of Christmas as provided in the Gateway contracts.
3. Modify Section (e), which provides for four (4) floating vacation days, to provide for two (2) floating vacation days. Revise this Section to provide that days not used will be paid after the end of the year, and may not be carried over into a subsequent year.

Article XIV. Graduated Vacation

1. Revise Section (a), which currently provides Employees with at least five (5) years of employment with the Employer receive additional (graduated) days of vacation on a sliding scale of 1 to 14 days, to establish that after five (5) years of continuous employment with the Employer each Employee shall be entitled to five (5) graduated vacation days. Additional years of service will not result in additional graduated vacation days. If an Employee's hire date is before July 1, the Employee will receive five (5) graduated vacation days at the beginning of the year in which the fifth anniversary of employment begins. If hire date is after June 30, the Employee will receive five (5) graduated vacation days at the beginning of the year which follows the fifth anniversary of employment. Days not used will be paid after the end of the year.

Article XX. Health, Retirement and Other Benefits

1. Consistent with the Gateway contracts, delete Article XX in its entirety, including, among other things:

- (i) the obligation to contribute \$5.50 per hour worked to, and to participate in, the UMWA 1974 Pension Plan
- (ii) the obligation to contribute \$1.10 per hour worked to, and to participate in, the UMWA 1993 Benefit Plan
- (iii) the obligation to contribute \$1.50 per hour worked to, and to participate in, the UMWA 2012 Retiree Bonus Account Trust
- (iv) the obligation to provide retiree health benefits to any former, current or future employee,

provided, however, that the obligation to contribute \$5.50 per hour worked to, and to participate in, the UMWA 1974 Pension Plan under the conditions set forth in the current 2011 Coal Wage Agreement and in the UMWA 1974 Pension Plan shall continue in full force and effect if:

- (i) The UMWA agrees that prior to January 1, 2017 it will not amend this Agreement or take any other action to increase contribution rates above \$5.50 per hour worked, and
- (ii) The UMWA 1974 Pension Plan agrees (a) to allow Employer to withdraw from the UMWA 1974 Pension Plan on or after December 31, 2016 (and, at Employer's election, effective as of December 31, 2016) if hourly contributions rates increase or are scheduled to increase to a level where it would be more costly for Employer to make hourly contributions than it would be to make annual withdrawal payments as calculated under section § 4219(c)(1) of ERISA assuming a withdrawal occurring on December 31, 2016 and (b) that any resulting annual withdrawal liability will be payable over time and in an amount provided for under section 4219(c)(1) of ERISA.

For the avoidance of doubt, in the event that these conditions are not met, Article XX shall be deleted in its entirety and the obligation of Employer to contribute \$5.50 per hour worked to, and to participate in, the UMWA 1974 Pension Plan shall be eliminated.

2. In the event that hourly contributions to the UMWA 1974 Pension Plan are eliminated under this Agreement, the Debtors will seek to negotiate a mutually agreeable post-emergence payment stream with the UMWA 1974 Pension Plan or, absent such agreement, withdraw from the UMWA 1974 Pension Plan and pay the resulting withdrawal liability over time as provided for in section 4219(c)(1)(A) of ERISA. If neither of those two options is available, the relevant Debtor will withdraw from the UMWA 1974 Pension Plan, leaving the Plan with a pre-petition unsecured claim (that is likely joint and several against all of the Debtors).
3. Modify and amend the current health benefit plan for active employees as set forth in Attachment 2. Among other things, the revised health plan will provide for:
 - (i) 90/10 coverage (same coverage as the health care plan to be provided for Patriot's subsidiaries' salaried and non-union hourly employees), and
 - (ii) a monthly pre-tax employee contribution toward the cost of health care, and
 - (iii) non-coverage of spouses who do not enroll in available health care plans provided by their employer, and

- (iv) coordination of benefits for covered spouses who do enroll in available health care coverage provided by their employer, and
 - (v) monthly contribution (premium) reductions for employees with covered spouses who enroll in available health care coverage provided by their employer
4. Modify and amend the current health benefit plan to specify employer-provided medical coverage will continue for sixty (60) calendar days after the date of an employee's lay off, rather than for the balance of the month plus up twelve additional months of continuing coverage.
 5. Eliminate the requirement that the Company maintain a retiree health care plan and eliminate the requirement that the Company provide health care benefits for current or future retirees.
 6. Modify the current Agreement to add a new provision that requires the Employer to make a contribution into each working miner's personal account in a company sponsored 401(k) or similar tax-qualified savings plan, or, in the alternative, make such contributions to the UMWA Cash Deferred Savings Plan. The contribution shall be (i) 6% of each dollar earned in wages for hours actually worked by the miner if Article XX is deleted in its entirety or (ii) 3% of each dollar earned in wages for hours actually worked by the miner if Employer does not withdraw from the UMWA 1974 Pension Plan and thereby remains obligated to contribute to the UMWA 1974 Pension Plan on an hours worked basis.

Article XXB. UMWA Cash Deferred Savings Plan of 1988

1. Modify Section (d) and other sections in this Article as appropriate to:
 - (i) terminate the obligation to contribute to the UMWA Cash Deferred Savings Plan (CDSP) on behalf of new inexperienced miners hired after January 1, 2007, including the current requirement to contribute \$1.00 per hour worked by such Employees
 - (ii) terminate the obligation to make contributions to the CDSP on behalf of new inexperienced miners hired after January 1, 2012 who are not eligible to participate in the UMWA 1974 Pension Plan, including the current requirement to contribute \$1.00 per hour worked by such Employees
 - (iii) terminate the obligation to make contributions to the CDSP on behalf of participants in the UMWA 1974 Pension Plan who opt out of continued participation in the UMWA Pension Plan, including the current requirement to contribute \$1.00 per hour worked by such Employees
 - (iv) terminate the obligation to make contributions to the CDSP on behalf of employees who have 20 years of credited service under the UMWA Pension Plan, including the current requirement to contribute \$1.00 per hour worked by such Employees

Article XXII. Miscellaneous

1. Modify Section (i) Attendance Control Program to provide that (a) two unexcused absences in 30 calendar days, or three unexcused absences in 180 calendar days or four unexcused absences in 360 calendar days is just cause for discharge; and (b) that the employer may implement or revise a Chronic & Excessive Absentee Program.
2. Section (s) Bonus Plans restricts an Employer's right to implement bonus plans unless approved by a majority vote of the local union. Modify this Section to provide that the employer may initiate, modify and terminate bonus plans unilaterally, as provided in the Gateway Agreements.
3. Delete Section (j) Memorial Periods which grants the Union a right to designate Memorial Periods which effectively shut down operations for up to ten (10) days during the term of the Agreement.
4. Add a new section that establishes a forty-five (45) day probationary period for newly employed personnel, as provided in the Gateway Agreements.

Article XXIII. Settlement of Disputes

1. Modify Section (h) Finality of Settlements to provide that the provisions of this Agreement supersede and make void any settlements, arbitration decisions or other agreements that are in any manner inconsistent with or in conflict with concepts, intentions and changes of this Agreement. Such settlements, arbitration decisions and/or agreements include, but are not limited to:
 - a) Double Back Policy and 10% Chronic and Excessive Absenteeism threshold at Eastern's Federal #2 Mine

- b) Requirement to maintain a specific number of employees to perform work at closed operations
- c) Restrictions against use of contractors for periodic sump and pond cleaning

Article XXVI. District Agreements

- 1. Clarify Section (b) to provide that this Agreement supersedes any prior practice or custom or local, district or international agreement that is in any manner inconsistent with or in conflict with the concepts or intentions of this Agreement.

Article XXIX. Ratification and Termination of This Agreement

- 1. Make the termination date of the Agreement December 31, 2018.

Other Matters

- 1. Modify all contract language as necessary and appropriate to be consistent with the concepts, intentions and changes set forth herein.
- 2. All unresolved grievances that assert violation of contractual provisions made void, modified or eliminated are withdrawn.
- 3. No grievances may be filed that claim violation of contractual provisions made void, modified or eliminated by this proposal.

MOU REGARDING JOB OPPORTUNITIES

- 1. Terminate this MOU, which requires certain non-union subsidiaries of Patriot Coal to offer jobs to the employees of the signatory companies before hiring employees of their own choosing.

Healthcare Benefits for Active Employees

- 1) Article XX (Health, Retirement and Other Benefits) of the 2011 NBCWA is deleted in its entirety.
- 2) The signatory employers will provide health benefits to all active employees as follows:
 - a) Health benefits for employees at the signatory mines will be in accordance with the plan design summarized on Exhibit A of this Attachment which shows a comparison of the existing plan design to the modified plan design.
 - b) Employees will be responsible for paying a portion of the cost of health care in the form of monthly premiums equal to 10 % of the predicted average cost of health care under the plan. Separate premiums will be developed for the following coverage classifications: Employee Only; Employee + One; Employee + Family. Such premium amounts will be withheld through direct pre-tax payroll deductions. The premiums will be determined through actuarial analysis and will be subject to change annually, increasing or decreasing, depending upon the actual plan experience as compared to the prior year's actuarial projections. The monthly premiums for 2013 are as follows:
 - i) Employee Only: \$68.58
 - ii) Employee + One: \$140.48
 - iii) Employee +Family: \$213.00

Employees with covered spouses who are enrolled in a medical insurance plan provided by their employer will receive a \$50 per month premium discount

Working spouses who do not enroll in a medical insurance plan available to them from their employer are not covered under this health care plan.

The employer will provide a prescription drug benefit that includes availability to a large and sufficient enough range of medications to allow health care practitioners to prescribe appropriate medical treatment.

- 3) The Employer reserves the exclusive right to change or modify its health plan as follows:
 - a) To adopt, change or modify managed care programs and/or cost containment programs that do not impose material additional costs or benefit reductions on plan participants, provided participants are provided thirty (30) days advance notice of such changes
 - b) To change carriers or plan administrators or otherwise make changes to plan administration that do not impose material additional costs or benefit reductions on plan participants without prior notice

- c) To require participants to enroll in or otherwise receive benefits from plans or programs currently available or that may become available during the term of this Agreement from the government or other public sources, provided participants are provided thirty (30) days advance notice of such changes
 - d) To amend or modify the level of benefits provided by the Plan, and/or to increase the cost participants are required to pay to receive benefits from the Plan on each anniversary date of the Agreement, if the per-beneficiary cost to the Employer of providing benefits under the Plan exceeds five (5) percent of the per-beneficiary cost to provide benefits under the Plan as of the effective date of the Agreement, provided however, that such changes shall not be greater than reasonably required to maintain the cost to the Employer at the per-beneficiary cost as of the effective date of the Agreement.
- 4) At least thirty (30) days prior to implementing changes to the Plan pursuant to paragraph 3(d) the Employer shall meet with representatives of the Union to review the Plan's experience, to share claims and cost data, and to discuss the changes proposed by the Employer. The Employer shall consider any proposals and recommendations offered by the Union to attain the cost reductions necessary to maintain the per-beneficiary cost at the level in effect on the effective date of the Agreement. After considering such proposals and recommendations, the Employer may, at its sole discretion, implement such changes as it deems necessary to maintain the per-beneficiary cost to the Employer of providing benefits under the Plan at the level in effect on the effective date of the Agreement.
- 5) If local, state or federal government, or any governmental agency, implements any program or law or regulation which makes available to any or all of the Employees of the Company any service, procedure or benefit (including health care coverage under Nation Health Care Reform Exchanges) that is also covered or provided under this health care plan, or any amended health care plan, then such Employee or beneficiaries or dependents may be required by the company to obtain such service, procedure or benefit from the government or agency and not from the Company, provided that any additional cost incurred by the Employee as a result of the difference in cost charged for service or procedure or benefit itself (relative to the cost under this Plan) is reimbursed to Employee by the company. Prior to any such requirement, the Employer and the UMWA agree to meet and discuss implementation of any such requirement.
- 6) Active represented employees will not be eligible for any type of employer provided retiree health care program.
- 7) Should a dispute arise during the term of this Agreement concerning the interpretation or implementation of this Reservation of Rights clause, or any Employer action taken pursuant to this clause, such dispute shall be resolved by the U. S. District Court for the Eastern District of Virginia, and shall not be subject to arbitration or any dispute resolution process under the Agreement or the Plan.

PROPOSED CHANGES TO COAL WAGE
AGREEMENT
BETWEEN THE
UNITED MINE WORKERS OF AMERICA
AND
HIGHLAND MINING COMPANY, LLC

Revised April 23, 2013

HIGHLAND MINING COMPANY, LLC PROPOSAL

Revised April 23, 2013

As of June 1, 2013, the provisions of the current Coal Wage Agreement and amending agreements would continue unchanged, except as provided below.

Article I. Enabling Clause

1. Modify to limit application of the contract to the geographic boundaries of the operation, as currently provided in the Gateway Agreements. Include a description of the boundaries of the mine and related reserves that are covered by the Agreement.
2. The language in the current 2011 Coal Wage Agreement which states "...operations covered by this Agreement shall not be sold, conveyed, or otherwise transferred or assigned to any successor without first securing the agreement of the successor to assume the Employer's obligations under this Agreement" is included as part of this Proposal. It is not the intent of this 1113 Proposal to eliminate successorship from the Highland contract.

Article IA. Scope and Coverage

1. Modify Section (e), which limits supervisors from performing any classified work, to provide that supervisors may perform work of a classified nature so long as it does not exceed one hour during a shift.
2. Modify Section (f) to provide that the Employer agrees to apply this Agreement to any mine or coal producing facility operated by the Employer upon the UMWA's recognition, certification, or otherwise properly obtaining bargaining rights, and the Union agrees that this Agreement will be offered to any Article II –B Lessee-Licensee of the Employer upon the UMWA's recognition, certification, or otherwise properly obtained bargaining rights. Notwithstanding the forgoing, the terms of the Agreement shall be applied without evidence of the Union's representation of the Employees involved to any relocation of an operation already covered by the terms of the Agreement.
3. Further modify Section (f) to provide that, upon the UMWA's properly obtaining bargaining rights, the Employer agrees to recognize the union at the Flying Eagle mine, the Buck Fork mine, the Huff Creek Surface mine, and the Buffalo Mountain mine, if and when such mines begin the production of coal, subject to all provisions contained in this 1113 Proposal. The Employer and the UMWA will mutually agree upon an expedited and streamlined process for the Union to seek such bargaining rights. Upon recognition of the union, the union agrees that it will offer to sign this 1113 Proposal at any of the above listed mines
4. Modify Section (g) (contracting and subcontracting), which limits the use of virtually any contractors on the jobsite, to provide that non-bargaining unit workers can be used to (i)

- provide fill-ins for temporary vacancies, (ii) perform short term projects, (iii) perform repair and maintenance work, and (iv) perform any and all work at closed operations
5. Modify Section (g) to also eliminate requirements that the employer must not have available equipment or regular Employees (including laid-off Employees) with necessary skills available to perform the work before non-bargaining unit workers may be utilized (i.e., eliminate any "Double Back" requirement).
 6. Modify Section (i) (construction work) to clarify that all construction work can be contracted out, without regard to whether it may have been performed by classified Employees in the past.

Article II. Job Opportunity and Benefit Security

1. Modify Article II by deleting all sections of Article II except the sections entitled "A. Non-Signatory Operations of the Signatory Employer," "B. Lessee-Licensee" and D-2. Exhaustion of Employer Panel, subject to the following amendments.
2. Modify A. Non-Signatory Operations of the Signatory Employer, Paragraph 2 to provide that selection of the 3 of 5 Employees to receive job offers shall be based on demonstrated ability to perform the work of the job at the time it is awarded (including possession of required certifications and required training), and satisfaction of such other hiring standards, qualifications, and tests as the Employer applies uniformly in its normal staffing practices. Seniority shall be considered, but need not be the determining factor in the Employer's decision to offer employment to any classified laid-off Employee on the Employer's panels of the Employer's operations covered by this Agreement.
3. Modify A. Non-Signatory Operations of the Signatory Employer, Paragraph 6, to provide that any disputes that arise under this Section shall be resolved through the normal UMWA grievance procedure, as set forth elsewhere in this 1113 Proposal.
4. Modify B. Lessee-Licensee, Paragraph 2 to provide that leasing, subleasing, or licensing out of such lands or operations shall be permitted where the lessee-licensee agrees in writing that 3 of every 5 offers of employment by such lessee-licensee shall first be made to the Employer's classified laid-off Employees on the Employer's panels of the Employer's operations covered by this Agreement, if such employment at the leased, subleased or licensed out location is for a job of the nature covered by the Agreement.
5. Modify B. Lessee-Licensee, Paragraph 3 to include that selections of the 3 out of 5 Employees to receive job offers may be based on demonstrated ability to perform the work of the job at the time it is awarded (including possession of required certifications and required training), and satisfaction of such other hiring standards, qualifications, and tests as the Employer applies uniformly in its normal staffing practices. Seniority shall be considered, but need not be the determining factor in the Lessee-Licensee's decision to offer employment to any classified laid-off Employee on the Employer's panels of the Employer's operations covered by this Agreement.

6. Modify B. Lessee-Licensee, Paragraph 5 to provide that any disputes that arise under this Article shall be resolved through the normal UMWA grievance procedure, as set forth elsewhere in this 1113 Proposal

Article III. Health and Safety

1. Modify Section (m) (safety equipment and protective clothing allowance) to provide that the employer may provide uniforms in lieu of paying the annual \$290 clothing allowance required under the current Agreement.

Article IV. Wages and Hours

1. Section (b) requires overtime be paid after 8 hours in a day, and in some cases after 7¼ hours. Section (e) requires double time rates for Saturday overtime and Sunday work and triple time rates for work on holidays. Modify in this Article as necessary to provide that all overtime will be paid at time and one half, and only for hours actually worked beyond 40 hours during a week, including work on Saturdays, Sundays and holidays (i.e., eliminate all references to premium pay). Amend all provisions of the Agreement to conform to this change.
2. Maintain Highland's December 31, 2012 hourly wage rates.
3. Provide Company with the ability to increase (and subsequently decrease) hourly wage rates for any job classification during the term of the Agreement, provided that hourly wage rates may not be decreased below the base hourly wage rates established by the Agreement.
4. Subject to Paragraph IV (3) above, modify this Article to provide that if hourly wage rate increases are provided to hourly employees of non-union subsidiaries of Patriot operating in Western Kentucky, and such increases raise the non-union hourly employee wage rate to a rate higher than the then current UMWA job classification hourly wage rate for similarly situated employees, then those UMWA represented employees will be provided a wage rate increase that will make them equal with the similarly situated non-union hourly employees. The intent of this proposal is to ensure that future increases to non-union hourly employees will not result in similarly situated UMWA represented employees having a lower hourly wage rate than the non-union employees
5. Maintain current Local Agreement regarding sharing of Idle Day and Overtime work
6. Section (c) authorizes the employer to introduce alternate work schedules only if agreed to by the local union. Revise to provide that the employer may, with seven (7) days notice, implement an alternative work schedule for the entire operation, a particular wage classification or individual employees. Absent seven (7) days notice, the current schedule at the operation will remain in place. Delete the requirement that the local union must agree before the employer may implement an alternate work schedule.

Article V. Helpers on Face Equipment in Underground Mines

1. Delete this Article, not contained in the Gateway Agreements, which mandates the assignment of a full time helper on continuous mining machines and roof bolters. Helpers will be assigned as needed, at management's discretion.

Article VI. Shifts and Shift Differentials

1. Delete this Article, which requires that Employees working on the afternoon shift be paid an extra \$0.40 per hour, and that Employees on the midnight shift be paid an extra \$0.50 per hour.

Article VIII. Starting Time

1. Section (e) permits management to change crews at the face. Clarify to provide that any and all crews may be changed out at the location where work is being performed.

Article IX. Allowances

1. Modify Section (e), which currently provides for five (5) personal or sick days per year to provide for three (3) personal or sick days per year. Days not used will be paid after the end of the year; the current language that permits an employee to carry over personal or sick days into the next calendar year will be discontinued.

Article X. Wage Increase

1. Eliminate the \$1.25 per hour wage increase scheduled for July 1, 2013 and eliminate the \$1.25 per hour wage increase scheduled for July 1, 2014.
2. Maintain wages through June 30, 2015 at Highland's December 31, 2012, rates.
3. Provide an increase of \$0.50 per hour on July 1, 2015; provide an increase of \$0.50 per hour on July 1, 2016; provide an increase of \$0.50 per hour on July 1, 2017; and provide an increase of \$0.50 per hour on July 1, 2018.

Article XII. Holidays

1. Modify Section (a) to provide for eight (8) holidays instead of the eleven (11) that are now provided by eliminating the April 1, Veteran's Day and Employee's Birthday holidays.
2. Modify Section (b) (Sunday holidays) to provide that a holiday shall be observed on the calendar day it falls.
3. Modify Section (c) (Monday holidays) to provide that scheduled work on Saturday prior to a holiday is mandatory
4. Modify Section (d) to provide that the employee shall be paid at his regular hourly rate, not triple time, for all hours worked if he or she works on a holiday. He or she will also receive Holiday Pay, if eligible.

5. Modify Section (e) to provide that all underground employees shall receive eight (8) hours pay at the regular straight time rate as Holiday Pay and that all outside employees shall receive seven and one-quarter (7 ¼) hours of pay at the regular straight time rate as Holiday Pay, provided the employee was not absent, unexcused, on the last scheduled shift prior to or the first scheduled shift after the holiday.
6. Modify Section (f) eliminate the Employee's option to designate another day to take off if the holiday falls during a vacation period or on a day when he is not scheduled to work.

Article XIII. Regular Vacation

1. Modify Section (a) and Section (d) to eliminate the requirement for fourteen (14) consecutive days of regular vacation with twelve (12) days pay. Provide instead for ten (10) days of regular vacation per year with ten (10) days pay, earned on a pro rata basis from January 1 through December 21, and further provide that days must be used in coordination with vacation shut down periods, as provided in the Gateway contracts.
2. Modify Sections (b) and (d) to provide for three vacation shut down periods: (1) week of July 4th; (2) week of Thanksgiving; and (3) week of Christmas, as provided in the Gateway contracts.
3. Modify Section (e), which currently provides for four (4) floating vacation days, to provide for two (2) floating vacation days. Revise to provide that days not used will be paid after the end of the year, and may not be carried over into a subsequent year.

Article XIV. Graduated Vacation

1. Revise Section (a), which currently provides Employees with at least five (5) years of employment with the Employer receive additional (graduated) days of vacation on a sliding scale of 1 to 14 days, to establish that after five (5) years of continuous employment with the Employer each Employee shall be entitled to five (5) graduated vacation days. Additional years of service will not result in additional graduated vacation days. If an Employee's hire date is before July 1, the Employee will receive five (5) graduated vacation days at the beginning of the year in which the fifth anniversary of employment begins. If hire date is after June 30, the Employee will receive five (5) graduated vacation days at the beginning of the year which follows the fifth anniversary of employment. Days not used will be paid after the end of the year.

Article XX. Health, Retirement and Other Benefits

1. Consistent with the Gateway contracts, delete Article XX in its entirety, including, among other things:
 - (i) the obligation to contribute \$5.50 per hour worked to, and to participate in, the UMWA 1974 Pension Plan
 - (ii) the obligation to contribute \$0.50 per hour worked to, and to participate in, the UMWA 1993 Benefit Plan

- (iii) the obligation to provide retiree health benefits to any former, current or future employee,

provided, however, that the obligation to contribute \$5.50 per hour worked to, and to participate in, the UMWA 1974 Pension Plan under the conditions set forth in the current Agreement and in the UMWA 1974 Pension Plan shall continue in full force and effect if:

- (i) The UMWA agrees that prior to January 1, 2017 it will not amend this Agreement or take any other action to increase contribution rates above \$5.50 per hour worked, and
- (ii) The UMWA 1974 Pension Plan agrees (a) to allow Employer to withdraw from the UMWA 1974 Pension Plan on or after December 31, 2016 (and, at Employer's election, effective as of December 31, 2016) if hourly contributions rates increase or are scheduled to increase to a level where it would be more costly for Employer to make hourly contributions than it would be to make annual withdrawal payments as calculated under section § 4219(c)(1) of ERISA assuming a withdrawal occurring on December 31, 2016 and (b) that any resulting annual withdrawal liability will be payable over time and in an amount provided for under section 4219(c)(1) of ERISA.

For the avoidance of doubt, in the event that these conditions are not met, Article XX shall be deleted in its entirety and the obligation of Employer to contribute \$5.50 per hour worked to, and to participate in, the UMWA 1974 Pension Plan shall be eliminated.

2. In the event that hourly contributions to the UMWA 1974 Pension Plan are eliminated under this Agreement, the Debtors will seek to negotiate a mutually agreeable post-emergence payment stream with the UMWA 1974 Pension Plan or, absent such agreement, withdraw from the UMWA 1974 Pension Plan and pay the resulting withdrawal liability over time as provided for in section 4219(c)(1)(A) of ERISA. If neither of those two options is available, the relevant Debtor will withdraw from the UMWA 1974 Pension Plan, leaving the Plan with a pre-petition unsecured claim (that is likely joint and several against all of the Debtors).
3. Modify and amend the current health benefit plan as set forth in Attachment 1. Among other things, the revised health plan will provide for:
 - (i) 90/10 coverage (same coverage as the health care plan to be provided for Patriot's subsidiaries' salary and non-union hourly employees), and
 - (ii) a monthly pre-tax employee contributions toward the cost of health care, and
 - (iii) non-coverage of spouses who do not enroll in available health care plans provided by their employer, and
 - (iv) coordination of benefits for covered spouses who do enroll in available health care coverage provided by their employer, and
 - (v) monthly contribution (premium) reductions for employees with covered spouses who enroll in available health care coverage provided by their employer
4. Modify and amend the current health benefit plan to specify employer-provided medical coverage will continue for sixty (60) calendar days after the date of an employee's lay off,

rather than the balance of the month plus up to twelve (12) additional months of continuing coverage.

5. Eliminate the requirement that the Company maintain a retiree health care plan and eliminate the requirement that the Company provide health care benefits for retirees.
6. Modify the current Agreement to add a new provision that requires the Employer to make a contribution into each working miner's personal account in a company sponsored 401(k) or similar tax-qualified savings plan, or, in the alternative, make such contributions to the UMWA Cash Deferred Savings Plan. The contribution shall be (i) 6% of each dollar earned in wages for hours actually worked by the miner if Article XX is deleted in its entirety or (ii) 3% of each dollar earned in wages for hours actually worked by the miner if Employer does not withdraw from the UMWA 1974 Pension Plan and thereby remains obligated to contribute to the UMWA 1974 Pension Plan on an hours worked basis.

Article XXB. UMWA Cash Deferred Savings Plan of 1988

1. Modify Section (d) and other sections in this Article as appropriate to terminate the obligation to make contributions to the UMWA Cash Deferred Savings Plan (CDSP) on behalf of new inexperienced miners hired after January 1, 2007.

Article XXII. Miscellaneous

1. Modify Section (i) Attendance Control Program to provide that (a) two unexcused absences in 30 calendar days or three unexcused absences in 180 calendar days or four unexcused absences in 360 calendar days is just cause for discharge; and (b) that the employer may implement or revise a Chronic & Excessive Absentee Program.
2. Section (s) Bonus Plans restricts an Employer's right to implement bonus plans unless approved by a majority vote of the local union. Modify this Section to provide that the employer may initiate, modify and terminate safety, attendance, environmental compliance, production or other bonus plans unilaterally, as provided in the Gateway Agreements.
3. Delete Section (j) Memorial Periods which grants the Union a right to effectively shut down operations up to ten (10) days during the term of the Agreement.
4. Add a new section that establishes a forty-five (45) day probationary period for newly employed personnel.

Article XXIII. Settlement of Disputes

1. Modify Section (h) Finality of Settlements to provide that the provisions of this Agreement supersede any settlements, arbitration decisions or other agreements that are in any manner inconsistent with or in conflict with the changes, concepts or intentions of this Agreement.

Article XXVI. District Agreements

1. Clarify Section (b) to provide that this Agreement supersedes any prior practice or custom or local or district agreement that is in any manner inconsistent with or in conflict with the changes, concepts or intentions of this Agreement.

Article XXIX. Ratification and Termination of This Agreement

1. Make the termination date of the Agreement December 31, 2018.

Other

1. Maintain current Letter Agreement in Highland Agreement regarding Skills Enhancement
2. Maintain Appendix F of current Highland Agreement — Consolidated Classifications
3. Modify all contract provisions and language as necessary and appropriate to be consistent with the changes, concepts or intentions of set forth herein.
4. All unresolved grievances that assert violation of contractual provisions made void, modified or eliminated are withdrawn.
5. No grievances may be filed that claim violation of contractual provisions made void, modified or eliminated by this proposal.

Healthcare Benefits for Active Employees

1) Article XX (Health, Retirement and Other Benefits) of the 2007 Highland Agreement extension is deleted in its entirety.

2) The signatory employers will provide health benefits to all active employees as follows:

a) Health benefits for employees at the signatory mines will be in accordance with the plan design summarized on Exhibit A of this Attachment which shows a comparison of the existing plan design to the modified plan design.

b) Employees will be responsible for paying a portion of the cost of health care in the form of monthly premiums equal to 10% of the predicted average cost of health care under the plan. Separate premiums will be developed for the following coverage classifications: Employee Only; Employee + Spouse; Employee + Family. Such premium amounts will be withheld through direct pre-tax payroll deductions. The premiums will be determined through actuarial analysis and will be subject to change annually, increasing or decreasing, depending upon the actual plan experience as compared to the prior year's actuarial projections. The premiums for 2013 are as follows:

i.	Employee Only:	\$68.58
ii.	Employee + One:	\$140.48
iii.	Employee +Family:	\$213.00

Employees with covered spouses who are enrolled in a medical insurance plan provided by their employer will receive a \$50 per month premium discount

Working spouses who do not enroll in a medical insurance plan available to them from their employer are not covered under this health care plan.

The employer will provide a prescription drug benefit that includes availability to a large and sufficient enough range of medications to allow health care practitioners to prescribe appropriate medical treatment.

3) The Employer reserves the exclusive right to change or modify its health plan as follows:

a) To adopt, change or modify managed care programs and/or cost containment programs that do not impose material additional costs or benefit reductions on plan participants, provided participants are provided thirty (30) days advance notice of such changes

b) To change carriers or plan administrators or otherwise make changes to plan administration that do not impose material additional costs or benefit reductions on plan participants without prior notice

- c) To require participants to enroll in or otherwise receive benefits from plans or programs currently available or that may become available during the term of this Agreement from the government or other public sources, provided participants are provided thirty (30) days advance notice of such changes
 - d) To amend or modify the level of benefits provided by the Plan, and/or to increase the cost participants are required to pay to receive benefits from the Plan on each anniversary date of the Agreement, if the per-beneficiary cost to the Employer of providing benefits under the Plan exceeds five (5) percent of the per-beneficiary cost to provide benefits under the Plan as of the effective date of the Agreement, provided however, that such changes shall not be greater than reasonably required to maintain the cost to the Employer at the per-beneficiary cost as of the effective date of the Agreement.
- 4) At least thirty (30) days prior to implementing changes to the Plan pursuant to paragraph 3(d) the Employer shall meet with representatives of the Union to review the Plan's experience, to share claims and cost data, and to discuss the changes proposed by the Employer. The Employer shall consider any proposals and recommendations offered by the Union to attain the cost reductions necessary to maintain the per-beneficiary cost at the level in effect on the effective date of the Agreement. After considering such proposals and recommendations, the Employer may, at its sole discretion, implement such changes as it deems necessary to maintain the per-beneficiary cost to the Employer of providing benefits under the Plan at the level in effect on the effective date of the Agreement.
- 5) If local, state or federal government, or any governmental agency, implements any program or law or regulation which makes available to any or all of the Employees of the Company any service, procedure or benefit (including health care coverage under Nation Health Care Reform Exchanges) that is also covered or provided under this health care plan, or any amended health care plan, then such Employee or beneficiaries or dependents may be required by the company to obtain such service, procedure or benefit from the government or agency and not from the Company, provided that the any additional cost incurred by the Employee as a result of the difference in cost charged for service or procedure or benefit itself (relative to the cost under this Plan) is reimbursed to Employee by the company. Prior to any such requirement, the Employer and the UMWA agree to meet and discuss implementation of any such requirement.
- 6) Active represented employees will not be eligible for any type of employer provided retiree health care program.
- 7) Should a dispute arise during the term of this Agreement concerning the interpretation or implementation of this Reservation of Rights clause, or any Employer action taken pursuant to this clause, such dispute shall be resolved by the U. S. District Court for the Eastern District of Virginia, and shall not be subject to arbitration or any dispute resolution process under the Agreement or the Plan.

2. The obligation in the current 2011 Coal Wage Agreement which states "...operations covered by this Agreement shall not be sold, conveyed, or otherwise transferred or assigned to any successor without first securing the agreement of the successor to assume the Employer's obligations under this Agreement" is included as part of this Proposal. It is not the intent of this 1113 Proposal to eliminate successorship from these Gateway Eagle Coal Company contracts.

Modify Sugar Maple, Campbells Creek No. 10 ("CC10"), and Farley Eagle wage rates to conform with the rates in effect at those mines on December 31, 2012.
3. Subject to the provision in the current Gateway contracts that provides the Employer the right to unilaterally raise and lower hourly wage rates, provided rates are no lower than the negotiated rates listed in Attachment 1 to Tab C , modify this Article to provide that if hourly wage rate increases are provided to hourly employees of non-union subsidiaries of Patriot operating in Central Appalachia, and such increases raise the non-union hourly employee wage rate to a rate higher than the then current UMWA job classification hourly wage rate for similarly situated employees, then those UMWA represented employees will be provided a wage rate increase that will make them equal with the similarly situated

non-union hourly employees. The intent of this proposal is to ensure that future increases to non-union hourly employees will not result in similarly situated UMWA represented employees having a lower hourly wage rate than the non-union employees

4. Section (c) authorizes the employer to introduce alternate work schedules only if agreed to by the local union. Revise to provide that the employer may, with seven (7) days notice, implement an alternative work schedule for the entire operation, a particular wage classification or individual employees. Healthcare Benefits for Active Employees

Health Care Plans under the 2011 and 2012 Gateway Agreements are modified to provide as follows:

- 1) Health benefits for employees at the signatory mines will be in accordance with the plan design summarized on Exhibit A of this Attachment which shows a comparison of the existing plan design to the modified plan design.
- 2) Employees will be responsible for paying a portion of the cost of health care in the form of monthly premiums equal to 10% of the predicted average cost of health care under the plan. Separate premiums will be developed for the following coverage classifications: Employee Only; Employee + One; Employee + Family. Such premium amounts will be withheld through direct pre-tax payroll deductions. The premiums will be determined through actuarial analysis and will be subject to change annually, increasing or decreasing, depending upon the actual plan experience as compared to the prior year's actuarial projections. The premiums for 2013 are as follows:

i) Employee Only:	\$68.58
ii) Employee + Spouse:	\$140.48
iii) Employee + Family:	\$213.00

Employees with covered spouses who are enrolled in a medical insurance plan provided by their employer will receive a \$50 per month premium discount

Working spouses who do not enroll in a medical insurance plan available to them from their employer are not covered under this health care plan.

The employer will provide a prescription drug benefit that includes availability to a large and sufficient enough range of medications to allow health care practitioners to prescribe appropriate medical treatment

- 3) The Employer reserves the exclusive right to change or modify its health plan as follows:
 - a) To adopt, change or modify managed care programs and/or cost containment programs that do not impose material additional costs or benefit reductions on plan participants, provided participants are provided thirty (30) days advance notice of such changes
 - b) To change carriers or plan administrators or otherwise make changes to plan administration that do not impose material additional costs or benefit reductions on plan participants without prior notice

- c) To require participants to enroll in or otherwise receive benefits from plans or programs currently available or that may become available during the term of this Agreement from the government or other public sources, provided participants are provided thirty (30) days advance notice of such changes
 - d) To amend or modify the level of benefits provided by the Plan, and/or to increase the cost participants are required to pay to receive benefits from the Plan on each anniversary date of the Agreement, if the per-beneficiary cost to the Employer of providing benefits under the Plan exceeds five (5) percent of the per-beneficiary cost to provide benefits under the Plan as of the effective date of the Agreement, provided however, that such changes shall not be greater than reasonably required to maintain the cost to the Employer at the per-beneficiary cost as of the effective date of the Agreement.
- 4) At least thirty (30) days prior to implementing changes to the Plan pursuant to paragraph 3(d) the Employer shall meet with representatives of the Union to review the Plan's experience, to share claims and cost data, and to discuss the changes proposed by the Employer. The Employer shall consider any proposals and recommendations offered by the Union to attain the cost reductions necessary to maintain the per-beneficiary cost at the level in effect on the effective date of the Agreement. After considering such proposals and recommendations, the Employer may, at its sole discretion, implement such changes as it deems necessary to maintain the per-beneficiary cost to the Employer of providing benefits under the Plan at the level in effect on the effective date of the Agreement.
 - 5) If local, state or federal Government, or any governmental agency, implements any program or law or regulation which makes available to any or all of the Employees of the Company any service, procedure or benefit (including health care coverage under Nation Health Care Reform Exchanges) that is also covered or provided under this health care plan, or any amended health care plan, then such Employee or beneficiaries or dependents may be required by the company to obtain such service, procedure or benefit from the government or agency and not from the Company, provided that the any additional cost incurred by the Employee as a result of the difference in cost charged for service or procedure or benefit itself (relative to the cost under this Plan) is reimbursed to Employee by the company. Prior to any such requirement, the Employer and the UMWA agree to meet and discuss implementation of any such requirement.
 - 6) Active represented employees will not be eligible for any type of employer provided retiree health care program.
 - 7) Should a dispute arise during the term of this Agreement concerning the interpretation or implementation of this Reservation of Rights clause, or any Employer action taken pursuant to this clause, such dispute shall be resolved by the U. S. District Court for the Eastern District of Virginia, and shall not be subject to arbitration or any dispute resolution process under the Agreement or the Plan.

TAB D

PROPOSED CHANGES TO COAL WAGE AGREEMENTS
BETWEEN THE
UNITED MINE WORKERS OF AMERICA
AND
Colony Bay Coal Company
Mountain View Coal Company, LLC
Pine Ridge Coal Company, LLC
Rivers Edge Mining, Inc.

These companies have no employees. Accordingly, we propose that these coal wage agreements be terminated as of June 1, 2013 and that any pending or unsettled grievance is withdrawn and no future grievance may be filed that claims violation of a contractual provision that existed under these coal wage agreements.

To the extent any of these companies are subject to post-termination obligations, including, but not limited to, continuing health care obligations for laid off or retired employees, we propose those obligations be subject to the same modifications as set forth in the proposals under Tab A.
